

Meet our two latest Meditions, purchased from WR Ranch, direct get of the famed Cushti Bok. Breeding is an art as well as a science, and the mares are equally important in producing foals that are of the highest quality. That is our goal here at Appleby. The dam of Ty is the breathtaking Panda Rose (imported from England) owned by WR Ranch. The dam of Magic is Pie (a Panda Rose daughter who is featured on the cover of the 2009 Mark Barrett calendar). Their sire, Cushti Bok is the first imported Gypsy Vanner stallion into North America. He is also the first selectively bred horse raised by Gypsies to be recognized as a breed. Breeding the absolute best to the absolute best indeed does produce the ultimate. Come meet our kids and see for yourself. You won't be sorry. Visitors are welcome.
